Welcome Paul lack of from the was also partially completed on out towards Winterland Rd. in original agreement. have a	Council welcomed MHA Paul Pike to attend the council meeting. Council started the concerns of the state of the Department of Transportation with regards to snow clearing on the BP and the filled positions. Paul mentioned he received the letter written town addressed to the Minister. The state of the roads discussed. Paul said the paving project that was Kimberley Farm Dr. will continue to extend this upcoming season as that was the Discussion was had on the state of the town's water system. The system is almost 30 years old and the council wants to be proactive and qualified person review our current system to see what we need

to

upgrade. Paul said he had someone from the Water Resources

Page 2

Department lined up to come out and have a look but the town did not hear from anyone regarding this.

Paul said the town has to install its own crosswalk.

Council also discussed the lack of family Dr's in the area. Paul said it's hard to get anyone wanting to stay in rural NL.

Paul stated to council that Everwind will not be operating in the area as previously thought therefore Everwind does not have use of the Winterland Airstrip.

Paul did say the mine in St. Lawrence is open with many people working in the area and the mine is extending the wharf now too.

Cellular service was discussed and Paul said that would take Federal money for improvements to the BP.

Council thanks MHA Paul Pike to the meeting @ 8pm.
