

Town of Winterland

Policy on the Use of Fire Hydrants

Pursuant to the authority delegated in Section 395 of the Municipalities Act, 1999 the Town of Winterland adopted the following policy on the 8th day of February, 2022.

1. Title

This document shall be known and cited as the *Policy on Use of Fire Hydrants*.

2. Policy Statement

The use of fire hydrants for the purpose of anything other than fire/emergency services is prohibited. All hydrants within the boundaries of Winterland are considered to be town property. Any hydrant use, other than for fire protection, must get approval from council. If council approves a request, access to the hydrant can only be obtained through a local fire fighter using the appropriate tools.

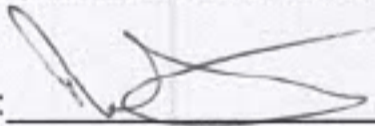

Any person(s) damaging a hydrant as a result of unauthorized use will be responsible for paying all costs of repairs as advised by council.

Any member of the community that is not hooked into the town's water system may use the water spout located on the side of the municipal building.

3. Date Effective
